**Data Protection:**

If you wish to register for any meeting (seminar, conference etc.) organized by the European Academy Berlin, it is essential for your personal data to be collected, stored and processed. This takes place solely for the purpose of organising and carrying out the event concerned. The Academy will handle your data in complete confidence; information will not be passed on to third parties. If required in order to carry out the project, your data will be disclosed to the funding organisation in the particular case (and if required to additional public bodies); due to EAB accountability requirements, information will be stored for 6 years. Without such collecting, storing and restricted disclosure of your data it is not possible to carry out a project. Data processing as described derives a legal basis in accordance with article 6, GDPR.
